

Warrior Football Update

By Courtney Jones, Class of 2010

The 2008 Warriors' football season is all about change. With new coaches and players who feel they have a point to prove, Woodlawn football is pushing forward on the gridiron.

Tavon Ross, who plays free-safety for the Warriors, states that this year's seniors possess "a strong vibe and an attitude that promotes nothing but victory."

Despite two losses, the win against New Town is evidence the Warriors can make a comeback and finish the season strong. As long as the Warriors keep the proper mentality and emphasize teamwork, they will be ready for any challenge thrown at them.
