

# Lady Warriors Play Soccer

*By Domonique Fields, Class of 2009*

Dedication, motivation and encouragement are qualities that pushed the girls' soccer team forward this season. Although this is not the best girls' soccer team the school has ever fielded, it nonetheless is one of the most memorable.

Ms. Butler is the head coach and lead for the team's offense and forwards. Mr. Ephraim, a new Social Studies teacher here at Woodlawn, provided the lead coaching for the defense. As always, Ms. Butler is a huge motivator for the girls on the field as well as in the realm of academics.

I myself am proud of the season I had. After key goals in two midseason games, I was selected as Woodlawn's Female Athlete of the Week. At the end of the season I was selected for the Girls' County All-Star game, played at Catonsville High School.

Fellow senior Kristen Brown and I are looking forward to playing soccer in college, while continuing our education. We are proud student-athletes of Woodlawn High School. We are proud of our results because we know as Warriors, we only get better!
